WELCOME TO WELWYN GARDEN CITY FC

HOME OF THE CITIZENS

Good afternoon and welcome back to a new and greatly improved Hens Way for today's FA Trophy game versus Mulbarton Wanderers. I will go into more detail about the changes to the ground in next Saturday's programme notes but what I will say is that you will be experiencing pretty much a new ground when you watch us today.

I have to say a special thank you to Mulbarton Wanderers for their patience this week. We only received a full sign off from the FA to play today's game here today at 1pm yesterday afternoon after a ground grading visit.

Mulbarton Wanderers have done everything possible to ensure the game could be played at Hens Way today showing great flexibility and understanding so we thank them for it.

Our manager Gavin Kelsey gives you his own notes in the programme today. He will report on the season so far but what I will say is that we have had a very good start to the season.

This squad is young, fresh and full of pace which I love. The FA Trophy is a great competition so we hope to progress today and I have no doubt it will be a cracking game.

Don't forget we play away at Ware on Monday. What a great way to spend a Bank Holiday afternoon so it would be great to be able to see a strong army of fans there to support the team.

Enjoy the game today and get behind the lads

FROM THE MANAGER.....

A quick few lines from myself to say how happy I am to have been appointed manager of Welwyn Garden City FC.

Its been a rollercoaster ride since the end of last season but when the approach came in I had no doubts in my mind that it was the right club and the route I wanted to take.

The support shown as soon as we took over has been second to none and we look forward to pushing the club forward over this season.

Im sure this will be the first time many of you would have seen the works at the ground! An unreal transformation from what it was at the end of last season – massive effort from all involved!

As you have all seen over the summer we have had to build a new side with a number of lads following the previous manager onto his new club – this is par for the course at our level of football so no complaints from us.

In turn we have had virtually a blank canvas with the exception of maybe 4-5 lads to put together a team we think will push hard in this league.

We welcomed the lads that stayed with open arms and went about our business. A number of lads have joined who we know very well from our last club Cockfosters alongside players we felt would be good additions from other clubs.

Pre season was one of getting to know each other & building a togetherness that will see us over the line in tough times.

Today we welcome Mulbarton Wanderers to The Boss Plumbing Stadium for this FA Trophy First Qualifying Round.

We would like to wish everyone associated with the club safe travel to and from our event. **(cont.....)**

They have had a positive start to life at Step 4 with away wins at AFC Sudbury & Lowestoft Town and have progressed in the FA Cup. Today will be a tough game as expected.

Our first competitive game came in the FA Cup away vs Enfield FC who currently play at Potters Bar Town. Being honest it was one of those nights and we could still be playing now without scoring so we had to take it on the chin and move on.

We got the response we needed in our next game away at Hadley FC – a very well established Step 4 side and a very tricky ground to visit!

We came out 3-1 winners having been behind at the break – really pleasing performance from the side with Nick Ralfe picking up 2 goals and Brandon Annous scoring the other.

Next up was the FA Trophy game away at Buckhurst Hill – we picked up a number of injuries from the Hadley game and some in training so went over there with 14 players with two of them being keepers!

At times like this when you are up against it everyone digs in that little bit deeper and that proved to be the case on the day. Nick Ralfe linking up very well with Ryan Hayes to add to his tally and win the game for us 1-0!

Again a very tough game against a strong side but we come out on top.

Last Saturday was another away day at Barton Rovers – I felt we were always in control of this fixture and the team performance was up there with as good as we have seen so far.

Second half goals from Mendes, Hayes and Corbit took the points our way – being hyper critical I felt we should have added more with the chances we had in the last 15 minutes.

All in all a good start & we wish that to continue – I'm looking forward to meeting as many fans as possible over the coming weeks! Please show your support & let's make our place the toughest to visit in the league!

UTW!

Gaffer.

BARTON ROVERS 1 - 3 WELWYN GARDEN CITY

WELWYN GC kept up their 100 per cent start to the league season with a second emphatic victory, this time away to old rivals Barton Rovers in this re-arranged fixture.

Both sides went out of the FA Cup at the first hurdle a fortnight before, so brought forward a fixture originally scheduled for mid October.

The Citizens managed a repeat of their opener at Hadley 10 days before – by the same scoreline – as Gavin Kelsey's side continue to impress away from their Hens Way home.

Kelsey filled his right-back vacancy, caused by suspensions for both previous occupants Egan Ntege and Luis Cantello, by playing fit again Keiron Gauthier there, but otherwise kept faith

with the side that won at Buckhurst Hill in the FA Trophy the previous week. He had new signings Junior Moses and Reece Barrett on the bench as well as Tyreece Robertson, available for the first time this season.

The first 45 minutes saw WGC dominate possession without creating much on goal and it wasn't until 25 minutes had gone until they created a chance, the outstanding Ryan Hayes slipping Evaristo Mendes through to set up Nick Ralfe to shoot, but the effort was blocked.

A right-wing corner found Gauthier unmarked, but he put his effort over the bar before Tyrone Shiham shot straight at WGC keeper Connor Sansom with the home side's only clear opportunity, on the stroke of the interval.

WGC opened the second-half in much livelier form and inside five minutes, Luca Gordon brought a fine tip-over save from Barton's WGC based keeper Matt Boylan, with a rising effort.

Seven minutes into the half, WGC were ahead, but it was a goal that had the home support howling at referee Mayhew for handball, as Gordon seemed to control Hayes' pass with his arm before rolling over a low cross that Mendes bundled over the line for 1-0.

WGC replaced Ralfe with Robertson just past the hour and moments later Barton were level from a free-kick conceded by a Dixon-Smith foul. The kick was slanted in to be met by a bullet header from the unmarked Josh Rodriguez who headed the home side level.

But parity didn't last long. Two minutes, in fact, as WGC fashioned an equaliser, Malik Nosike and substitute Robertson pulling the ball back for Hayes to come in and finish with a finely placed effort beyond keeper Boylan into the top corner for 2-1.

That quickly became 3-1 three minutes later as Gordon's fine cross-field ball found Robertson who slipped Dixon-Smith inside as he sped into the area, only to be felled by a challenge that referee Mayhew didn't like and pointed to the spot.

After home protests, Eddie Corbit stepped up and rolled home a well placed penalty for a 3-1 lead.

WGC rang the changes in the closing quarter, the outstanding trio of Gordon, Dixon-Smith and Hayes, all being replaced by Moses, Bennett and Kendall Gyamfi.

Fellow substitute Ethan Rookard had the best chance of the closing stages of adding a WGC fourth, when put through by a Corbit pass, but Boylan managed to push the effort away, in stoppage time.

Overall, another impressive display by the new look WGC side.

WGC: Sansom, Gauthier, Lovell, Impey, Dixon-Smith (Bennett 82), Nosike, Corbit, Hayes (Gyamfi 84), Gordon (Moses 72), Mendes (Rookard 69), Ralfe (Robertson 62).

MULBARTON WANDERERS CLUB HISTORY

Mulbarton Wanderers Youth FC was formed in 1998 after splitting from Mulbarton United Youth FC. In 2001 Harford Belles joined forces to form Mulbarton Wanderers and Belles FC.

In 2000/01 the club was awarded the FA National Football Grass Roots Award presented in Mulbarton by the then England National Team Manager Kevin Keegan.

The Men's First Team was formed in 2001 and in our first season finished Runners-Up to gain promotion from Central and South Norfolk League Division 4. In 2003/04 the club were granted the FA Charter Standard Community Club Award.

The First Team continued to move up the divisions and further promotions were secured in 2004/2005 and 2006/2007 to climb to Division 1 of the league also finishing Runners-Up in the Junior League Cup in 2008/2009. Promotion to Division 6 of the Anglian Combination was gained in the same season.

The next few seasons saw the First Team promoted in successive seasons, to reach the Premier Division in 2015/16. The next season we finished third and won the Mummery Cup with a 2-1 Victory over Acle. The following season 2017/2018 we finished Runners-Up in the league securing promotion to the Thurlow Nunn Eastern Counties League division 1 north.

In our first season in the Thurlow Nunn league we battled to an excellent third placed finish which was way beyond our expectations. Our second we were looking on course for promotion to the Thurlow Nunn Premier Division as we sat at the top of the table for most of the season but then the pandemic struck and with more important matters at hand, the season was expunged and then the 20/21 season went the same way. However, with the league cancelled we had an excellent run in the F.A. Vase being the highest scoring team in the competition until being knocked out in the 4th round. We also reached the final of the Norfolk Senior Cup, narrowly losing by the odd goal to Gorleston Town. When the F.A. decided to reorganise non-league football using points per game we were promoted to step 5 for the first time in the club's history.

In our 1st season in the premier division 21/22 we finished an excellent 4th. The highlight of the season was winning the Norfolk Senior Cup at Carrow Road with a hard fought 2-1 victory over Dereham Town. A very proud day for the whole club.

The 22/23 season saw the team recruiting several new players and we became a draw specialist team drawing 15 games that season but still finishing a credible mid table position of 10th.

The 23/24 season saw the recruitment and hard work come to fruition, turning a lot of draws into wins and having a settled side we finished in 3rd place qualifying for the promotion playoffs. The semi-final was played against Thetford Town in a rearranged game we held on to win 2-1. The hastily arranged final against Newmarket resulted in a 0-2 loss but an excellent season for the team.

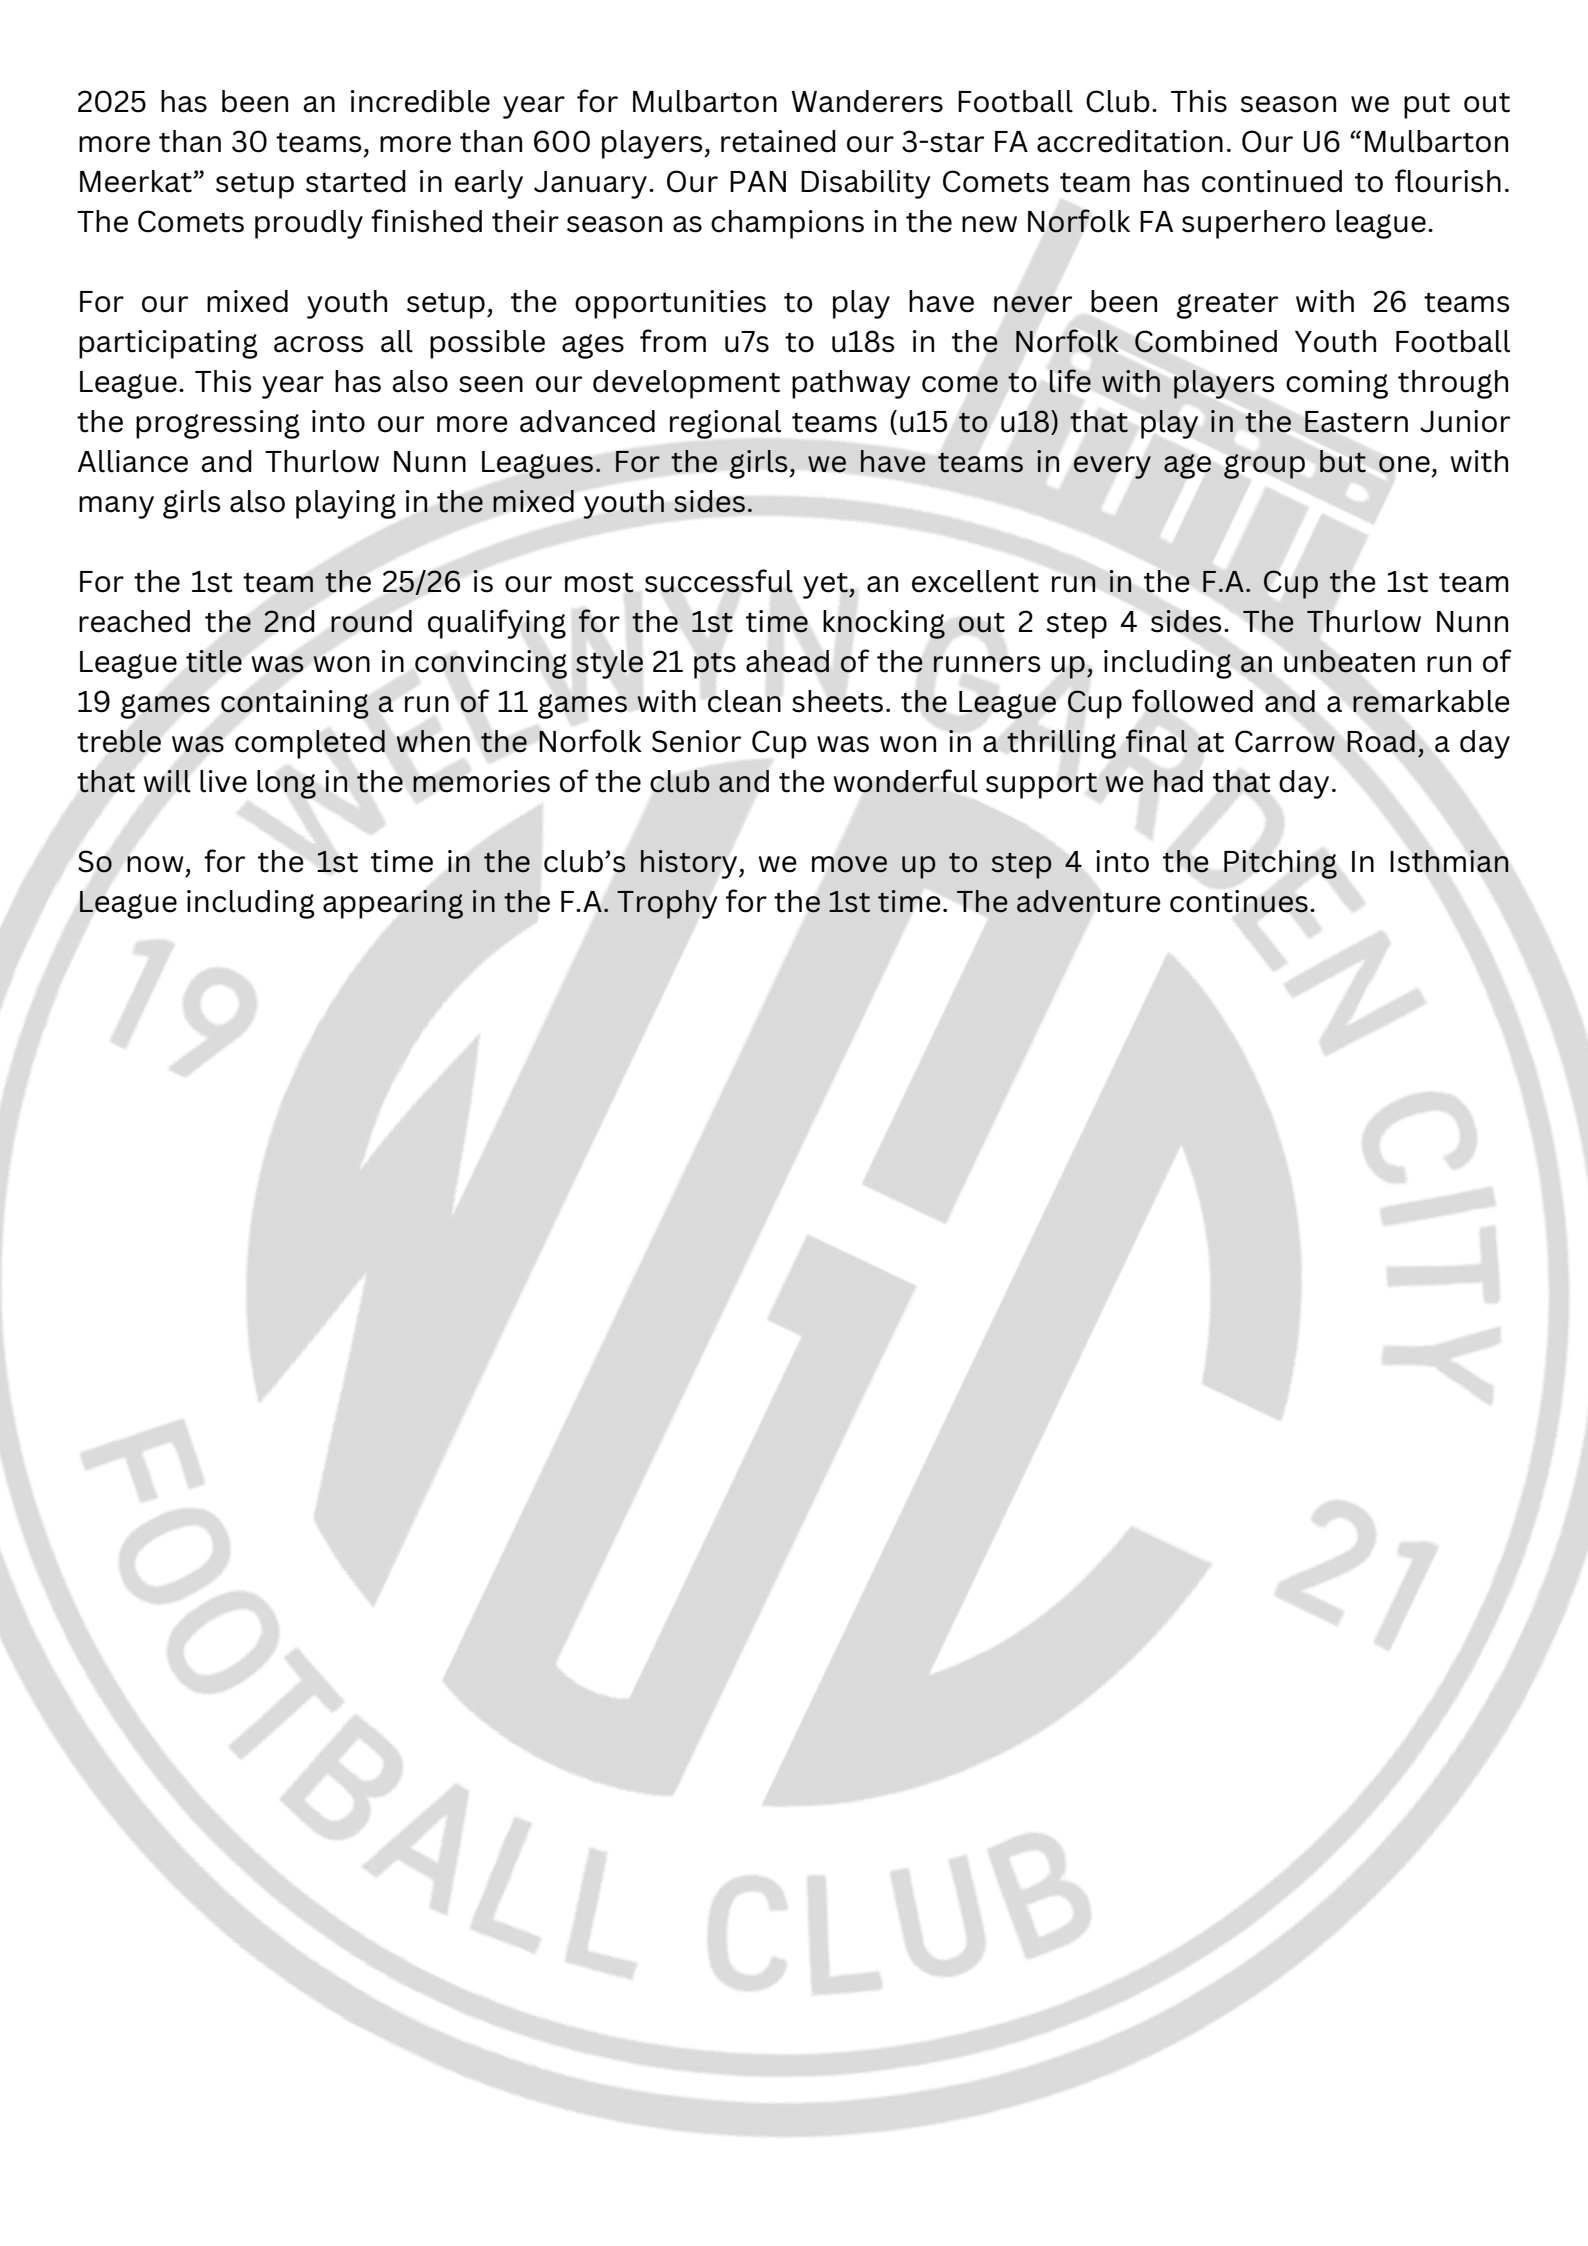

The 24/25 season saw the 1st team finish in 5th just outside the play offs, however what was pleasing was seeing the team debut 6 players from the u18 team, who are all looking to establish regular 1st team football in the coming seasons.

2025 has been an incredible year for Mulbarton Wanderers Football Club. This season we put out more than 30 teams, more than 600 players, retained our 3-star FA accreditation. Our U6 “Mulbarton Meerkat” setup started in early January. Our PAN Disability Comets team has continued to flourish. The Comets proudly finished their season as champions in the new Norfolk FA superhero league.

For our mixed youth setup, the opportunities to play have never been greater with 26 teams participating across all possible ages from u7s to u18s in the Norfolk Combined Youth Football League. This year has also seen our development pathway come to life with players coming through the progressing into our more advanced regional teams (u15 to u18) that play in the Eastern Junior Alliance and Thurlow Nunn Leagues. For the girls, we have teams in every age group but one, with many girls also playing in the mixed youth sides.

For the 1st team the 25/26 is our most successful yet, an excellent run in the F.A. Cup the 1st team reached the 2nd round qualifying for the 1st time knocking out 2 step 4 sides. The Thurlow Nunn League title was won in convincing style 21 pts ahead of the runners up, including an unbeaten run of 19 games containing a run of 11 games with clean sheets. the League Cup followed and a remarkable treble was completed when the Norfolk Senior Cup was won in a thrilling final at Carrow Road, a day that will live long in the memories of the club and the wonderful support we had that day.

So now, for the 1st time in the club’s history, we move up to step 4 into the Pitching In Isthmian League including appearing in the F.A. Trophy for the 1st time. The adventure continues.
