WELCOME TO WELWYN GARDEN CITY FC

HOME OF THE CITIZENS

Welcome to Hens Way for what is a momentous day in our club's history. Today is our first league game where we will be playing on our new 3G pitch. To celebrate the occasion we have made today free entry for all. If you are here for the first time or returning, we want you to enjoy today and come back to become regular supporters.

In addition to the new pitch you will see today a new terraced stand next to the seated stand, new LED floodlights, a new scoreboard, a new QR code turnstile and a much better walkway around the whole of the pitch. The ground is completely different from last season, giving the players a better surface to play on but also giving a much better overall experience to our supporters.

You will also see work continuing on the padel courts and we will be refurbishing the players changing rooms in the summer.

This wouldn't have been possible without the investment of Elms Sports In Schools owner Jason O'Connor and we hope his business will thrive while he partners with us. I'd also like to thank my committee colleagues Leigh Corbit and Gavin Meaden. We haven't stopped all summer, getting the ground ready for the season, working with Jason and the contractor Blakedown to ensure we were on time.

We have also had many changes on the pitch with a new management team and squad. The season has started well and we are still in the FA Trophy with a home game here next Saturday v Walthamstow and we currently sit top of the league after three great away wins. Let's hope we continue that form today. Enjoy the game and support the boys.

FROM THE MANAGER.....

This afternoon we welcome Didcot Town to The Boss Plumbing Stadium for this Southern League Central Division One fixture.

We would like to wish everyone associated with the club safe travel to & from our event in what will be the first league game at our newly refurbished ground.

Didcot are currently 2 from 2 in the league so today will be another good test for the team as we look to build on a positive start.

We hosted our first game at the club since the works last Saturday vs Mulbarton Wanderers in the FA Trophy and came out 3-0 winners.

A first senior goal for Frankie Impey midway through the first half gave us the lead at the break.

We added a second with Junior Moses scoring & the game was done on 75 minutes with Ryan Hayes adding the third

It was good to be able to enjoy the last 15 minutes of the game with it being done and also gave us a chance to get minutes into everyone on the bench.

The performance was a good one with us showing a different side to our game against a very physical team who had a style of play that would challenge a lot of teams.

(cont.....)

This set us up well for the Bank Holiday Monday Derby game away at Ware who themselves have ambitions to push hard in the league.

Same scoreline as Saturday with a 3-0 win – again another very good performance with us taking the lead early from Eddie Corbit's great work and finish.

I always thought we were in control of the game second half & we put the game to bed with Ethan Rookard heading in from the great corner from BDS!

Luca Gordon getting off the mark a week later then he should have stuck a bit of icing on the cake and we walked away with the points.

I'm happy with the start we have made so far but we will double down this week to make sure this continues over the next month with some tough fixtures coming up.

A new team can sometimes take its time to bond but the lads seem to have bonded together very quickly and that can only be a positive.

Team of the month for August – well done to everyone involved!

It was great to see so many fans over last weekends games and we can only hope to see more of you going forward.

Please show your support to the team again today!

WELWYN GARDEN CITY 3-0 MULBARTON

City produced one of the most complete performances ever witnessed at Hens Way.

After an even opening 35 minutes City took hold of this game in front of 136 spectators against an unbeaten Mulbarton side yet to concede a goal in 5 matches this season.

City, unbeaten themselves continued their remarkable 3 goal and game record in fine style, by opening the scoring when 18-year-old Frankie Impey netted from the edge of the penalty area with a low drive into the bottom corner of the Mulbarton goal.

Second half substitute Junior Moses then added a second after jinking in from the left and hitting a fine 20-yard curling left foot shot.

Moses was in action again when another of his jinking run and crosses created a third, Ryan Hayes finished from close range on 75 minutes to effectively seal the win for City.

Superbly marshaled by Jay Lovell, City's defence were compact and hard to break down giving City's goalkeeper Connor Samson a relatively quiet afternoon.

No doubt City's management of Gavin Kelsey, Glen Draper and Phil Lovell will be delighted by the win and the performance to go with.

MOM: Eddie Corbit the City midfielder caught the eye with an imperious performance

Value for money 10/10 as complete performance as you are likely to see

The Elms Sport in Schools

The Elms Sport in Schools (ESS) began in 2004 with a Saturday morning football and tennis programme. From just 30 children and 4 coaches to 22,500 children in over 120 schools and 80+ coaches!

Based in Middlesex, the company covers London and the Home Counties delivering high quality PE lessons, extra curricular, structured lunch-time play, CPD and holiday camps.

The Elms Tennis Club in Stanmore now coaches tennis to the highest number of children in the county, with exit routes and direction given to schools, parents and children.

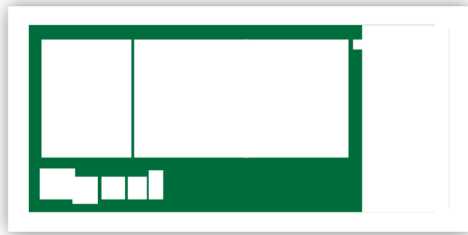

ESS take pride in keeping children active, challenging them to their highest possible potential and above all encouraging them to enjoy participating in sport. No child will be left out and we believe that providing opportunities and instilling confidence in children throughout primary school will prepare and mould them as they enter secondary school.

DIDCOT TOWN CLUB HISTORY

Didcot Town Football Club was founded in 1907 and in their early days competed in the North Berks League from the 1910–11 season. They left the North Berks league at the end of the 1927–28 campaign and later joined the Reading League and then the Metropolitan League. They then became founder members of the Hellenic League in 1953, where they won the championship at the first attempt. Although they returned to the Metropolitan League for the 1957–58 season they rejoined the Hellenic League Premier Division in 1963.

They spent the next thirteen seasons in the Premier Division before being relegated to Division one at the end of the 1975–76 season, the same season they made their debut in the FA Cup; however, they bounced back up as champions of Division one the next season.

They moved between the Hellenic League's two divisions on two more occasions before they established themselves for the rest of their time in the top flight of the Hellenic league from the 1995–96 season.

In 2004–05, under manager Stuart Peace, they were only denied the title due to the deduction of one point for fielding an ineligible player in a 1–1 draw at Tuffley Rovers at the start of the season but made up for it by beating A.F.C. Sudbury to claim the FA Vase.

The following season they finally claimed the league title, becoming the first team in Hellenic League history to accrue 100 points in a season, and were thus promoted to the Southern League Division One South & West.

In May 2009 they gained promotion to the Southern Football League Premier Division, when they beat AFC Totton 2–1 after extra time in the play-off final. Didcot reached the play-offs after finishing fifth in the league and, in consecutive matches, beating the first (Truro City), second- (Windsor and Eton) and third-placed (AFC Totton) teams, all away from home.

The 2010–11 season saw long-term manager Stuart Peace leave the club in January, to be replaced by Ady Williams; however, he could not save them from relegation.

Williams resigned in May 2011 to be replaced by Francis Vines, but he only stayed until September 2011, after a poor start to the season. He was replaced with Dave Mudge, who guided the club to the first round of the FA Trophy for the first time but resigned at the start of the 2012–13 season for personal reasons to be replaced by Gary Elkins.

Elkins was replaced by former Didcot FA Vase winners Ian Concannon and Jamie Heapy, who were appointed as joint managers in November 2013.

The football club gained nationwide attention when it reached the FA Cup First Round Proper in season 2015–16 and was awarded a home tie with Exeter City, which was shown live on BT Sport.

At the end of the 2018–19 season, Didcot reappointed First Team Manager Jamie after Andy Ballard resigned.

The 2022–23 season saw Didcot Town promoted back to the Southern League Premier Division having defeated Ware in the play-off final.

Season 2023–24 saw the Railwaymen struggle in the Premier Division and relegation followed, this time into the Southern League Division One South as a result of Cirencester Town's voluntary relegation.

Facing significant travel as the most northeasterly of the clubs in the Division, Didcot finished the season in mid table in 2024–25.
