WELCOME TO WELWYN GARDEN CITY FC

HOME OF THE CITIZENS

A warm welcome to Hens Way for today's home fixture against Haringey Borough. I would like to extend that welcome to everyone connected with our visitors and hope you enjoy your afternoon with us.

With 11 league games played, we sit in fifth place in what is proving to be a fiercely competitive division. Teams are taking points off one another, making consistency all the more important. Today promises another tough test against a Haringey side who have collected 13 points from their last six league games and arrive as one of the division's form teams.

Away from the football, this week's weather has been a reminder that winter is upon us. At this stage last season, my fellow committee members and I would have been exchanging endless phone calls, checking a waterlogged pitch and, more often than not, arranging a matchday morning inspection. What a difference the 3G pitch makes. Its fourteen drainage pipes channel rainwater into an underground soakaway at the far end of the ground, removing the need for those familiar waterlogging checks and inspections.

There is plenty of football to look forward to over the next six weeks, with a busy run of fixtures ahead. Enjoy today's game, get behind the lads and give them your support from the first whistle to the last.

FROM THE MANAGER.....

Today we welcome Haringey Borough FC to The Boss Plumbing Stadium for this Southern Division One Central fixture.

A trip up the A10 for our opponents who we know well from 3 encounters at our previous club.

They play a style & at a tempo which is always easy on the eye so today's game should be a good one.

Our last home game was a good one for the neutral – not so much the managers! 5-3! Goals flying in all over the place!

Lions went ahead against the run of play but we turned it round before HT with goals from Frankie & Mendes. A quick double after the break from Mendes and Hayesy made it 4-1 and Eddie wrapped it up from the spot.

I think less said about last Saturday trip to Thame the better – a great 1st half had us 1 up and on 54th the ref made a decision that would change the course of the game. The long & short of it he gave a penalty for a handball as we went to take a goal kick.

Thame went on to win 2-1 having not even looked in the game before the decision.

As much as that frustrated us we need to move on and today is a great chance to do that.

A very busy period is now here with Saturday/Tuesday for the next 4 weeks! Please show the support once again!

UTW!

Gaffer.

THAME UNITED 2-1 WELWYN GARDEN CITY

FOR the second successive Saturday, a bizarre incident knocked WGC out of their stride and saw them lose a game in which they were leading in, slip to a 2-1 defeat.

Last week, a freak goal from a defender inside his own half caused the Citizens to lose their rhythm against high flying Winslow and they were eventually beaten 2-1.

This time a strange, unusual penalty decision for handball changed the game and from that point, five minutes after the restart of the second-half, WGC badly lost their way.

Again in bizarre circumstances, WGC were thinking they were taking a goal kick.

Keeper Connor Sansom kicked the ball across to the area to stand-in skipper Keiran Gauthier instead of rolling it. Under a new rule, implemented this season, this meant the ball was in play.

When Gauthier picked it up to replace it, referee Gocek, after consulting his assistant, awarded Thame a spot-kick to the fury and consternation of the entire WGC team.

When order was restored, top scorer Harry Alexander fired the Oxfordshire side level with the penalty.

WGC never recovered from the blow and for the final half-hour of this game probably gave their worst League showing since the start of the season, no having a single effort on the Thame goal in the remaining 40 minutes.

Thame, on the other hand, came on strongly in the closing stages and seven minutes from the end, substitute Edwin Daffern got away down the left to pull the ball back for Alexander to crash home his second of the game, for the three points.

cont.....

It was all very different before the break. WGC were the better side and turned around deservedly 1-0 ahead.

They missed a glorious chance to go ahead in eight minutes, Tyreece Robertson latching onto a misplaced Thame pass to race clear and find himself clean in on goal, but he badly scuffed his shot and Thame were reprieved.

Mr Gocek played a good advantage when Luis Cantello was flattened after a good run, allowing Junior Moses in for a clear shot on goal, but he pulled it poorly wide.

Then on 37 minutes, WGC were ahead with a fine team goal.

Reece Mosanya, at left-back, began it. The ball was fed inside to Ryan Hayes, who produced a lovely turn to lose his marker and play Malik Nosike into the area for him to waltz around home keeper James Callan and lay the ball into empty net.

Things looked rosy for WGC at that stage with the prospect of another win to further help them up the table, but again bizarre circumstances in the second-half again rocked them completely, as they slipped to what was their third league defeat of the campaign.

WGC: Sansom, Ntege, Impey, Gauthier, Mosanya (Dixon-Smith 88), Cantello (Barrett 85), Nosike, Robertson (Ralfe 62), Hayes (Sippetts 87), Moses, Mendes (Rookard 71).

HARINGEY BOROUGH CLUB HISTORY

Few senior Clubs can have such a convoluted background as Haringey Borough. A Club first took the field under that name 55 years ago when Wood Green Town, which had played at Coles Park in the Spartan League from 1930 until at the end of season 1966/67, finishing bottom of the table and was not re-elected and so became an intermediate Club playing in the long gone Northern Suburban League, name changed to Haringey Borough in 1970. Admission to Reserve Division 2 of the Greater London League was granted and following a merger with the Metropolitan League a year later that led to a year in the Metropolitan - London League.

But Haringey Borough's roots actually go back to 1907 when Tufnell Park FC was created and joined Division One of the London League, switching to the Spartan League in 1909/10 before becoming founder members of the Athenian League in 1912, winning it in 1913/14. The reserve team broke away in 1911 to play as Tufnell Spartans and name changes to Wood Green in 1920 and Wood Green Town in 1930 followed. Having established itself as one of the top amateur sides in the South, after the Great War an invitation to join the Isthmian League was accepted in 1919/20 and the FA Amateur Cup Final was reached in that same season but Dulwich Hamlet triumphed by the only goal. It was a slow mostly downhill trajectory after that and having finished bottom of the Isthmian League for four consecutive seasons re-election at the end of 1951/52 was not forthcoming.

For the last two seasons the Club had played under the name of Tufnell Park (Edmonton) having merged in 1950 with Edmonton Borough, a short lived London League Club formed in 1947. After then rejoining the Spartan League and playing under that name for two seasons a switch to the Delphian League was made in 1954 and, having dropped the Tufnell Park part of the name to become Edmonton FC, the Club stayed in that League until becoming Athenians again when that League absorbed the Delphians in 1964.

Having lost its Barrass Stadium Ground it merged with Haringey Borough (i.e Wood Green Town until 1970) in 1973, and the name was changed to Edmonton & Haringey FC and the merged Club played at Coles Park under that name for three seasons before becoming Haringey Borough again in 1976/77. Athenian League membership continued until, following its demise in 1983, the Club was accepted back into the Isthmian League spending four seasons in Division 2 North until unable to field a team in 1988/89 because of the mass departure of Management and players shortly before the start of that season.

After a year out of Senior Football the Club was admitted to the Spartan League Premier Division for 1989/90. One further name change occurred as the Club reverted to its original name of Tufnell Park in 1995 only to change back to Haringey Borough after just one season. Membership of the Spartan League continued in its Premier Division until its merger in 1997/98 with the South Midlands League and then in the Premier Division of the Spartan South Midlands League until being relegated to Division One after finishing bottom in 2006/07.

Having bounced straight back to the Premier Division as runners up and Divisional Cup winners in the following season, Premier Division status was maintained until ended by an FA sideways move into the Essex Senior League for season 2013/14 in which a 2nd placed finish was followed by the Championship in 2014/15 thus earning promotion to Step 4 and being allocated to the Isthmian League by the FA.

After a worrying start to season 2015/16 which seemed to suggest relegation might be the outcome but much improvement as that season wore on secured mid table safety. Then began the Club's glory years as a semi-final defeat in the 2016/17 play offs was followed by promotion to the Premier Division as play off winners in the following season. In 2018/19 we came within touching distance of becoming a National League Club but having finished 3rd in our first season a defeat in the play off semi final denied us that honour. Covid caused the abandonment of the following two seasons and after that it was downhill all the way culminating in relegation into the North Division in 2023/24 followed by a second relegation in 2024/25 season.

However, season 2025/26 will long live in the memory for all the right reasons. After a patchy start and a mid-season slump it seemed that a play off place in the Spartan South Midlands League Premier Division was the best we could hope for but an unbeaten closing run of 19 games with only 1 draw meant that another draw in the final game away to Cockfosters would make us Champions and a nail biting 0-0 sparked delirium in the ranks of our loyal and so deserving supporters.

During its 118 years of existence the Club has repeatedly faced crises, both on and off the field and financially that it has survived is testament to the passionate devotion and perseverance (and the wallets) of so many wonderful people who were determined it should do so two in particular must be mentioned. The current Manager Tom Loizou who was appointed in March 2009 when we were a struggling Spartan South Midlands team in danger of relegation again and has since led us to the very brink of National League status.

The other is Aki Achillea, Chairman since 2004, after ten years or so as a committee member, without whose boundless enthusiasm for the Club, legal expertise - he is a Solicitor - and his cheque book we would probably not have successfully negotiated some very choppy waters. Three of his decisions in particular have changed us from the poorly supported, little known Club we then were to the vibrant family oriented Club we now are, attracting gates of several hundreds and with a solid core of committed supporters for whom no journey to an away match is too daunting.

Firstly in 2012 he replaced the rather decrepit Club House with the superb replacement we now have. Secondly, In the summer of 2016, he converted the pitch to 3G. Thirdly, for 2016/17 he introduced his "Free Season Ticket" offer which was eagerly taken up and continues this season, hence the attendance increase
